New York sculptor Sergio Furnari spent \$100,000 of his own money building a life-size statue of Charlie Kirk, hoping supporters would help cover the cost.

Instead, his fundraiser has raised only a small fraction of its goal, while he says he has received threats from people promising to vandalise the sculpture.

Furnari called his financial situation an “absolute nightmare,” saying people praise the project but refuse to contribute, adding, “People are cheap.”

The artist said the statue honours free speech and commemorates Kirk, despite not agreeing with all of his political views.

Furnari now plans to unveil the 6-foot-4-inch statue in New York’s Times Square on September 10, hoping it finally attracts buyers and financial support.

**APC NASISIRAAN NG ULO?**

Senator Erwin Tulfo took a swipe at Sen. Alan Peter Cayetano, saying the senator's demeanor changed after he was removed as Senate President.

"Nang mapatalsik siya as Senate President, nag-iba na ang takbo ng isip ni Senator Alan. Kaya kahapon pinagdarasal ko na lang na sana bumalik siya sa katinuan," Tulfo said in an interview.

He also remarked on [#Cayetano](#)'s appearance, saying, "Tignan mo pati postura niya, hindi na nag-aahit, hindi mo na maintindihan, akala mo taong grasa na."

Kaya kahapon pinagdarasal ko nalang na sana eh bumalik siya sa katinuan.

‘SALUTE’

Nagbigay ng papuri ang singer-songwriter na si Ogie Alcasid kay House Prosecutor Atty. Chel Diokno kasunod ng naging oral arguments sa Impeachment Court kaugnay ng kahilingan ng House prosecution na ipa-subpoena ang bank records, tax records, at iba pang dokumento ni Vice President Sara Duterte.

Sa kanyang pahayag, inilarawan ni Alcasid si Diokno bilang huwaran ng isang lingkod-bayan na nagsisilbi nang may kababaang-loob.

“Atty. Chel Diokno is an example of a public servant who serves with utmost humility. Salute,” ani Alcasid.

Marami rin sa social media ang nagpahayag ng paghanga sa naging paraan ni Diokno sa pagsagot sa mga tanong ng mga senator-judges, kung saan pinuri ang kanyang kalmado, malinaw, at mahinahong presentasyon ng mga legal na argumento.

ani Alcasid.

Atty. Mark Vinluan asks the prosecution's final witness Melvin Matibag if the NBI ever subpoenaed Vice President Sara Duterte under his leadership.

Matibag says they never subpoenaed her because every time she was subpoenaed in a lot of proceedings, she never attended.

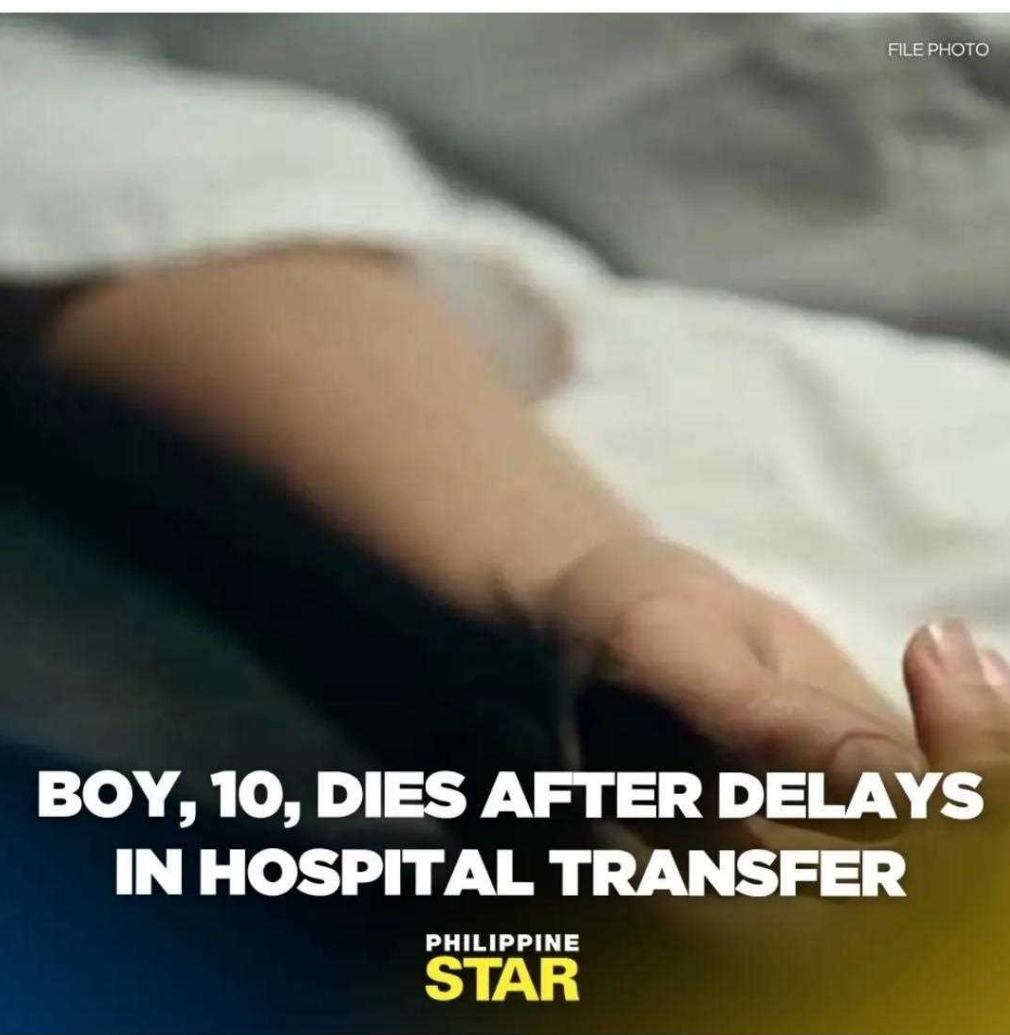

Matibag says a crime is committed only when the plan to kill is executed. But he qualifies that one of the mandates of the National Bureau of Investigation is to protect national security.

He adds that there is a continuing threat to the president, and it is the NBI's duty to protect the president. [#VPOnTrial](#) | via Victoria Tulad, ABS-CBN News

FACTS Weird Facts • Follow 1d • 🌐 ... ✕

In the late 19th and early 20th centuries, “human zoos” displayed Indigenous and colonized peoples to paying audiences in Europe and the United States, presenting real human beings as exotic attractions.

Filipinos were among those exhibited after the United States took control of the Philippines following the Spanish American War.

The most famous large scale example was the 1904 St. Louis World’s Fair, where more than a thousand Filipinos from different ethnic groups were placed in constructed villages for visitors to observe.

New York’s Coney Island also hosted exhibitions involving Filipino people during this era. These displays were shaped by colonialism and racist ideas that portrayed non Western societies as primitive or inferior.

People were often expected to perform traditional activities, wear particular clothing, and live in staged environments while crowds watched them as entertainment. [#fbllifestyle](#) [#education](#)

NGAA INDI DAPAT MAGPABULONG ANG MGA KATOLIKO SA MGA "FAITH HEALER" NGA NAGASALIG SA GAHOM SANG MGA ELEMENTO

Bilang mga Katoliko, nagatuo kita nga ang Dios amo ang bugtong nga Manugpaayo. Nagatuo kita sa gahom sang pag-ampo, sa mga Sakramento, kag sa mga milagro nga mahimo sang Dios kon amo ang Iya kabubut-on. Apang tungod sini, kinahanglan man kita mangin mabinantayon sa mga tawo nga nagaangkon nga may espesyal sila nga espirituhanon nga gahum sa pagpaayo.

Ang una nga pamangkot indi amo kon **nag-ayo bala ang tawo**, kundi **diin naghalin ang iya gahom**?

Ang Biblia nagatudlo:

"Indi gid magtuo dayon sa tagsa ka espiritu, kundi usisaa anay ang mga espiritu kon nagahalin gid bala ini sa Dios." (1 Juan 4:1)

Ini nagatudlo nga indi tanan nga espirituhanon nga buhat halin sa Dios. Ang Kristiyano ginatawag nga usisahon ang ginhalinan sang espirituhanon nga gahum.

Si Jesus mismo nagpaandam:

"Madamo ang magasiling sa akon sa sina nga adlaw, 'Ginoo, Ginoo, wala bala kami nagpanagna sa imo ngalan kag nagpalayas sang mga demonyo kag naghimo sang madamo nga milagro?' Apang magasiling ako sa ila, 'Wala ko kamo makilala.'" (Mateo 7:22–23)

Nagapakita ini nga ang pag-angkon sang milagro indi awtomatiko nga pamatuod nga ang isa ka tawo nagabuhat suno sa kabubut-on sang Dios.

Ginpaandaman man kita ni Jesus:

"May mga indi matuod nga Cristo kag mga indi matuod nga mga propeta, kag magahimo sila

Ginpaandaman man kita ni Jesus:

"May magagwa nga mga indi matuod nga Cristo kag mga indi matuod nga mga propeta, kag magahimo sila sang daku nga mga tanda kag milagro agud mangdaya, kon mahimo pa gani, bisan ang mga pinili." (Mateo 24:24)

Gani, indi dapat ang milagro ang basehan sang aton pagtuo, kundi ang kamatuoran sang Ebanghelyo kag ang pagtuman sa Dios.

Ang Catechism of the Catholic Church nagatudlo:

"Ang tanan nga pamaagi sang panghimalad, salamangka, ukon pag-angkon sang gahum sa mga tago nga pwersa agud makontrol ang mga tawo ukon mga hitabo, bisan pa ginahimo kuno para sa kaayuhan, seryoso nga supak sa una nga sugo sang Dios." (CCC 2116–2117)

Ini nagakahulugan nga ang Katoliko indi dapat mangita sang pagpaayo pinaagi sa mga tawo nga nagagamit sang mga ritwal, orasyon, anting-anting, espirituhanon nga "enerhiya," ukon iban pa nga pamaagi nga wala nagahalin sa pagtulun-an ni Cristo kag sang Simbahan.

Sa baylo, ang Simbahan nagatudlo sa aton nga kon kita masakiton, ang una naton nga dalan amo ang pagdangop sa Dios.

Ang Biblia nagasiling:

"Kon may masakiton sa inyo, ipatawag niya ang mga manugdumala sang Simbahan, kag ipangamuyo nila siya samtang ginabanyosan sang lana sa ngalan sang Ginoo." (Santiago 5:14–15)

Talupangda nga si Santiago wala nagsiling nga mangita sang "faith healer." Ang iya gintudlo amo ang pagpatawag sa mga manugdumala sang Simbahan. Tubtob subong, ginatuman ini sang Simbahan nga Katolik **nagapakinabang sa Sakramento sang Pagbadlis sa Masakiton (Anointing of the Sick).**

Talupangda nga si Santiago wala nagsiling nga mangita sang "faith healer." Ang iya gintudlo amo ang pagpatawag sa mga manugdumala sang Simbahan. Tubtob subong, ginatuman ini sang Simbahan nga Katoliko pinaagi sa Sakramento sang Pagbadlis sa Masakiton (Anointing of the Sick).

Dugang pa, ang Simbahan wala nagadumili sa bulong ukon sa pagpakonsulta sa doktor. Sa kabaliskaran, ginakilala niya ang medisina bilang isa ka himakas sang Dios para sa kaayuhan sang tawo. Ang pagtuo kag ang siyensya wala nagakontra; mahimo sila magbuligay.

Kon ang isa ka faith healer nagaangkon nga may iya kaugalingon nga espirituhanon nga gahum, nagapabayad, nagabaligya sang mga anting-anting, nagagamit sang mga ritwal nga wala sa pagtulun-an sang Simbahan, ukon nagaangkon nga ang iya gahum nagahalin sa "mga elemento," "enerhiya sang kalibutan," ukon iban pa nga misteryoso nga pwersa, ang Katoliko dapat maglikaw sini. Ang amo nga mga pamaagi wala ginatudlo ni Cristo ukon sang mga Apostoles.

Bilang mga Katoliko, ang aton pagsalig dapat mangin bug-os kay Jesucristo. Kon kita masakiton, magpangamuyo kita, magpabulig sa mga pari sang Simbahan, magbaton sang mga Sakramento, kag magpakonsulta sa mga doktor. Amo ini ang dalan nga ginatudlo sang Biblia kag sang Simbahan.

Ang matuod nga pagtuo wala nagapangita sang lain nga espirituhanon nga gahum. Si Cristo lamang ang aton Manugpaayo, kag ang Iya Simbahan ang iya gintugyanan sang mga Sakramento nga nagahatag sang grasya kag paglaum sa mga masakiton.

INDI MALAIN MAGKONSULTA SA FAITH HEALER KON ANG ILA GAHOM NAGAHALIN GID LAMANG SA DIOS

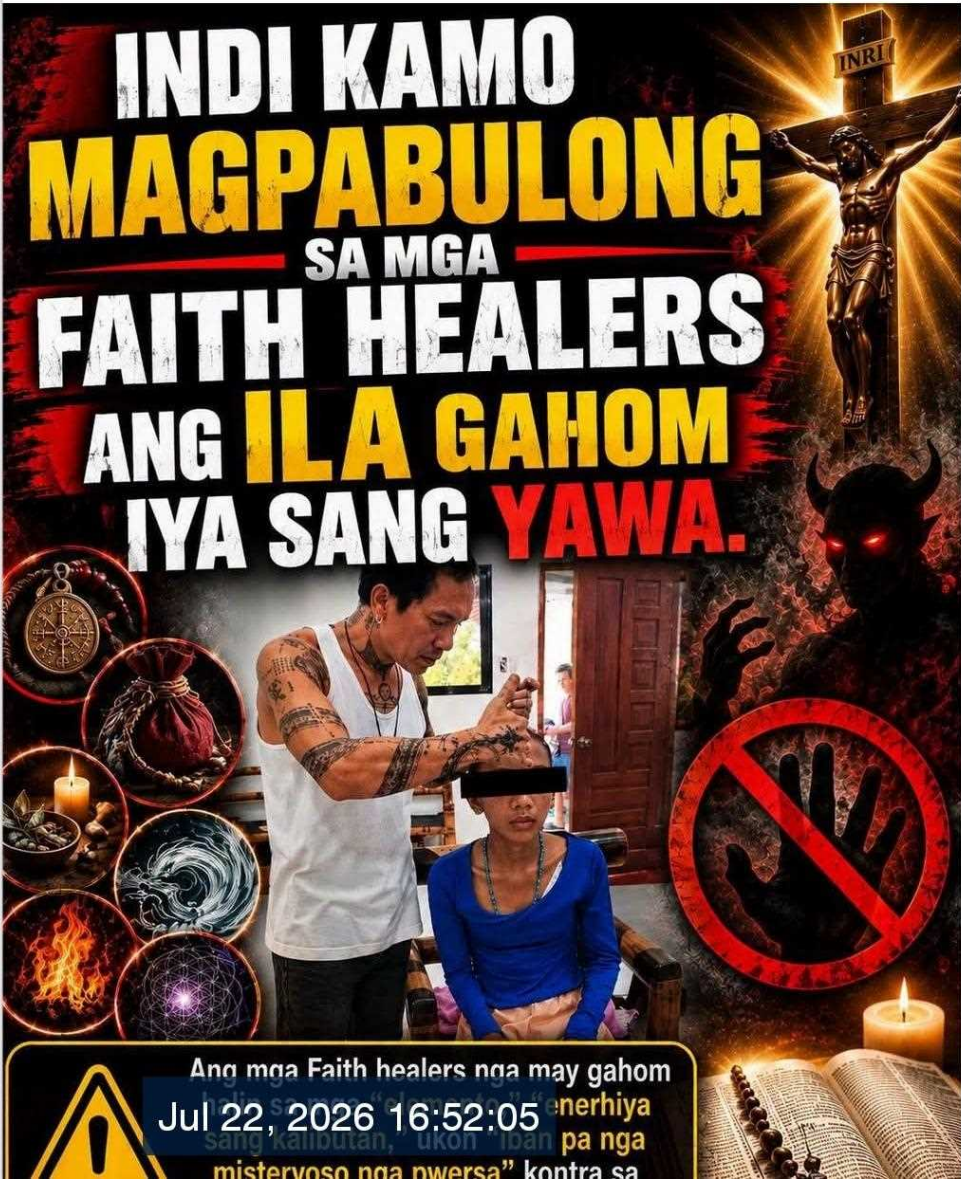

Bilang mga Kristiyano, indi malain ang pagkonsulta sa isa ka faith healer **kon ang iya pag-ayo nagasalig lamang sa gahom sang Dios pinaagi kay Jesu-Cristo** kag wala sang pagpanawag sa iban nga espiritu, okulto nga mga praktis, talisman, anting-anting, o ginatawag nga "gahom sang mga elemento."

Bilang mga Kristiyano, indi malain ang pagkonsulta sa isa ka faith healer **kon ang iya pag-ayo nagasalig lamang sa gahom sang Dios pinaagi kay Jesu-Cristo** kag wala sang pagpanawag sa iban nga espiritu, okulto nga mga praktis, talisman, anting-anting, o ginatawag nga "gahom sang mga elemento."

Ang Dios amo ang bugtong tinubdan sang tinuod nga kaayohan, kag mahimo Siya mag-ayo pinaagi sa pag-ampo kag sa mga tawo nga ginatawag Niya sa amo nga ministeryo. Apang kon ang pag-ayo ginasakan sang mga okulto nga pamaagi ukon iban nga espiritwal nga gahom nga indi sa Dios nagahalin, dapat ini likawan sang mga tumuluo.

NBI Director Melvin Matibag:
Hindi tumutugma do'n sa acronym nila dahil 'yong acronym nila, Reform Alliance for Good Governance, so hindi R.A.G.E., so medyo malayo po.

'NAKAKAHALATA NA KAMI'

Nagpahayag ng pagkadismaya si Sen. Raffy Tulfo matapos mapansin na aniya'y pinapayagang lumampas sa itinakdang oras ang minorya, habang agad namang pinapatigil ang mga nasa mayorya kapag lumalagpas sa time limit.

Ayon kay Tulfo, naiinis na siya sa aniya'y hindi pantay na pagpapatupad ng oras, lalo't pinatutunugan na siya ng bell habang may iba namang nakapagsasalita nang lampas sa itinakdang oras.

"Kapag sinabing two minutes, two minutes," giit niya. [#VPOnTrial](#) (🗣️: Senate of the Philippines/YouTube)

‘SANA HINDI ONE-SIDED ANG ATING PROSEKUSYON’

Ito ang hiling ni Senator-judge Robin Padilla sa kalagitnaan ng pagtatanong niya kay lead prosecutor Gerville Luistro sa ika-9 na araw ng impeachment trial ni Vice President Sara Duterte.

Sa isang press conference matapos ang trial, sinagot ito ni Luistro at sinabing mas nakapagtataka raw kung ipagtatanggol nila ang respondent. #VPonTrial
